

## STATE CHAMPIONSHIP RULE NOTES

- **Be prepared to play 1/2 hour before scheduled game time!**  
**Games are played in rapid succession.**
- Games are 1 hr. 20 min for pool/play-in games and 1hr. 30 min. for bracket games. Tied games at end of time limit or 7 innings will go to the ITB rule.
- Director **Reserves the Right To Change Time Limits in Order To Finish The Tournament.**
- Game times AND locations may also be changed if deemed necessary by the Director.
- **Ask only the Tournament Director about game times! (Not an umpire)**
- **All teams must carry proper birth certificates, roster & Insurance cert. at all times!**
- **Play is governed strictly by the NSA Rulebook in the STATE.**
- If you have a question, please be sure to ask the home plate umpire. The coach is responsible for knowing the rules and failure to do may affect an outcome, so please ask if you have any doubt on a rule.
- **2 Game Balls are furnished!** Teams **MUST** chase **THEIR** offensive foul balls! Thanks!
- **Please check the OFFICIAL Bracket Board at your site after each game for any possible changes and that the score/result is posted correctly.**
- **Remember the conduct guidelines for you, your players and fans! No other warnings will be given!**
- Please let the kids PLAY and don't let close calls and arguing in front of the girls ruin their game. Umpires ARE going to miss calls; it is just part of the game as are errors and coaching mistakes.  
Hustle your kids in and out and I assure you, you can still get 6 or 7 innings in if you hustle! The umpires will be instructed to move players along and not to let the game be stalled.
- All protests must be settled before the END of the game in roster situations and BEFORE the next pitch in rule situations. You can NOT protest a Judgment Call. All protests must be announced to the home plate umpire with a \$75 Protest Fee at the right time. If your protest is upheld, your money will be refunded. If not, it will go into out Scholarship Fund.
- Remember to always show your kids good sportsmanship at ALL times, PLEASE! They learn from YOU, the coach and you give them a solid foundation in this aspect as well as in their skills. THANKS!

**BEST WISHES TO YOUR TEAM!**
